

COMPANY AUDITION INFORMATION

As you are aware, Dance in Flight company auditions are still happening for this next semester, but will be slightly different than before. If you are interested in being a part of the DIF 2021 company, please see the information below.

AUDITIONS

Auditions will be an entirely virtual process. In order to be considered, a dancer must submit a [dancer audition form](#) which requires 2 video submissions. For the first video, we are asking for you to submit a short 0:30 - 1:00 video showcasing the style of dance you feel is your best. For the second video, we are asking you to learn and perform the choreography from the audition video found on the website and Instagram. **The application is due on Tuesday, September 8 at 11:59 PM (PDT).**

CALLBACKS

If a student makes it to the next round of auditions, the student directors, director, and producer will schedule a Zoom interview with each person auditioning during the week of September 7.

DANCER RESPONSIBILITIES

Though it is still too soon to plan anything concrete, we are planning for there to be some sort of show or virtual showcase in the Spring 2021 semester. There will not be any set rehearsal times for each piece, but it will be the choreographer's choice on when to meet with their group and how they would like to facilitate practices.

CASTING

Dancers will be casted after choreographers, committee, director, and producer review the audition videos and applications. Company will be announced via email and on the website.
